### **CHARGES FILED AFTER CHILD PORN FOUND DURING COMPUTER REPAIR**

Denver District Attorney Mitch Morrissey has formally charged a man today in connection with the possession of child pornography.

**Mark Scott Albaugh** (DOB: 12-14-64) is charged with two counts of *sexual exploitation of children* (F4).

On July 16, 2010, Albaugh took his computer to a Denver electronics store for repairs. The charges allege that store employees performing repairs found pictures of young children engaged in sexually explicit conduct. The employees contacted the Denver Police Department, and a later search of the computer allegedly yielded more than 1,000 files of suspected child pornography.

Albaugh, who is a registered sex offender, remains in custody in the Denver Detention Center; his bond is set at \$15,000. He is scheduled to appear in Denver County Courtroom 2100 on December 8, 2010 at 10:30 a.m. to be formally advised of the charges.
